Jeff and George,

Here is attached some preliminary figures with the data table for you to review and discuss. I think we got some really good data.

Print this package in 11x17 to be able to read it.

Thanks,

Jon

If you have any questions, you can try my cell phone next week, but I'm not promising that I'll be able to get it.

Hi Denise,

Could you send Michael and I a copy of ERTs subslab data from their Cabo Rojo sampling event?

Thanks
Angela
